

Growing & Learning Program

Gardening Workshop Series: May-June 2017

4 hands-on Garden Education Workshops with Cheri Charles at Sprouts Early Learning Program. Childcare Providers will learn how to grow gardens in their preschools while implementing cooking & nature-based lessons. Wear comfortable clothing to the Saturday workshops and be prepared to get your hands dirty. Childcare *not* provided. *One childcare provider per facility.

Limited to first 10 providers. Due to limited space, participants **must** commit to all 4 classes.
