

PROVIDERS WORKSHOP ALERT!

John Muir Laws

Join us for an inspiring Educator Workshop on Nature Journaling, led by renowned naturalist and educator John Muir Laws.

This event is proudly sponsored by Musica Sierra and Sierra Nevada Children's Services

John Muir Laws is an award-winning scientist, educator, and author dedicated to helping people connect with nature through art and science. He emphasizes that nature journaling enhances observation skills, fosters curiosity, and deepens our understanding of the natural world. By integrating drawing and writing, he encourages learners to engage with their environment in a meaningful way.

By integrating art, writing, and science, it supports cognitive development, promotes flexible thinking, and strengthens problem-solving skills, while also reducing stress and improving overall well-being through reflective journaling and time in nature
