The Art of Supervising Others

Free Training!

Become the Best Supervisor you can be!

Virtual/Online Training

This specialty workshop is geared to support more effective supervision that feels good for you and your staff.

- ✓ Explore and address personal fears related to supervising others and conducting evaluations
- ✓ Develop a clear understanding of effective communication, planning, and follow-up strategies
- ✓ Practice key skills essential for successful supervision
- ✓ Recognize the importance of a professional staff handbook that aligns with job descriptions and the evaluation process
